Education is key to
success in life, and
teachers make a
lasting impact in the
lives of their students

A continuing
learner

A good
education can
change anyone.
A good teacher
can change
everything

Through staff supervision,
educational administrators
ensure classroom
organisation, attendance
and discipline among
students. Often, they work
with other professionals to
set teaching standards
for students and teachers

Everyone who
remembers his own
education remembers
teachers, not methods
and techniques. The
teacher is the heart of
the educational system.
